EDUCATION

Sinhagad Institute of Technology And Science ,Pune
Electronics And Telecommunication (B.E.)
CGPA: 7.57

Narhe –Pune, Maharashtra
2021-2025

Vidyamandir Mahavidyalya, Sangola
HSC 12th
Percentage: 76.17

Sangola, Maharashtra
2020-2021

PROFESSIONAL SKILL

- AIML
- PYTHON
- ARDUINO
- SQL
- HTML
- CSS

EXPERIENCE

TECHNOVISION .PVT.LTD | Intern

Dec/2023- Jan/2025

- Contributed to the development of battery chargers and voltage regulators for various applications.
- Worked on the ONGC project, focusing on designing and testing battery chargers and DCDB.
- Gained hands-on experience in circuit design and implementation in a real-world project environment.

PROJECTS

- **ArduBotics Robotics**

In this project, we've designed a vehicle capable of traversing a predetermined path, guided by an Arduino Uno serving as the control unit

- **Vehicle with Robotic Arm**

In this project, we've designed a vehicle, controlled via Android Interface with a mounting of robotic Arm such that it will pick & drop object at a desired location

ACHIEVMENTS

- Certification of Artificial Intelligence Training.
 - Certification of Python and Machine Learning Training.
 - Got selected as CPC Coordinator of college.
-
